Objective:	The visitor will appreciate various artistic and cultural expressions which are offered in the state of Oaxaca and its central valley's												
General information about the city:	Oaxaca city assembles all the historical epochs of Mexico, those are: the pre-colonial, colonial, independence, modern and contemporary periods. Its streets are planned with natural elegance. Its spaces, buildings, streets, beautiful museums, magical festivals, colorful handcrafts, pre-Columbian ruins, gold made baroque churches and details in every corner, have made the city been named after: "A World heritage" by UNESCO. Oaxacans are also well known for receiving visitors with wide open arms.												
About us:	La Salle Oaxaca University has always been characterized for being an institution that seeks for well-rounded education (integral formation) in our region of the youth as well as professionals. This is achieved through our formative advocacy, which is strategically planned and performed along with various private, public, national and international institutions. We work every day, from every place and every person in our community to make our state of Oaxaca a great place any person will be willing to live.												
Interesting facts to know:	Historical sites (buildings, museums and archaeological zones) Handcraft making and traditional products tour. An approach to the traditional Oaxacan cuisine.
