brought us only positive surprises

- Enthusiasm and generosity of the Lasalle universities
“Mi casa es su casa”
- In general positive and open attitude of our students
(and parents)
- The constructive attitude of administrative and
academic staff ; “We are (finally) doing something with
our Lasalle network”
- The positive collateral effects of the Go Lasalle program
beyond any expectation!

ONE strategic decision empowers the internationalization process of an entire university !

***ONE strategic decision empowers the internationalization process of an entire university :
In NUMBERS...***
